Dr. Lorincz:

I would like to thank you again for your time and consideration of my application to your Dermatology Residency program. I thoroughly enjoyed my visit to The University of Chicago and was impressed with the program on many levels. I believe that the Dermatology program at the University of Chicago very closely matches my expectations for a residency, strong clinical training, exposure to surgery and dermatopathology, and location in a large vibrant city. The University of Chicago will certainly rank highly on my list.

Thank you again for your time.

Sincerely,
