Pittsburgh, PA 15213

Dear Dr. Fu:

I would like to take this opportunity to thank you for inviting me to interview for orthopaedic residency. I was very impressed with your program and thoroughly enjoyed my visit. I found the residents to be friendly and forthright in answering any and all of my questions. The informal gathering afterward was an excellent way to obtain information in a more relaxed setting and learn about the nontechnical aspects of resident life in Pittsburgh. It is obvious that you are committed to excellence and I have no doubt that you will be instrumental in improving an already outstanding program. Thanks again and hope to see you in the future.

Sincerely,
